You Never Know Who Is Watching

I Peter 1:16 Because it is written, Be ye holy, for I am holy.

We, the church of the living God, need to follow every word of the Scripture because you never know who is watching your every move. People will watch how you will walk and talk in your relationship with God. You might be an influence in someone's life and not even know it. People are looking for something that will fill an empty void in their lives and in their heart.

If you will live it in front of them, they will begin to get curious and want what you have and that is the Holy Ghost. This is when the door will be opened for you to witness and show them Scriptures so they might have knowledge of what we believe and why we believe it. Now you have just planted a seed in their heart and once they come to church,

that seed that you have planted in them will be watered and they will grow in the Lord. Before you know it, they are repenting, being baptized in the name of Jesus, and being filled with the Holy Ghost.

So you see, as you continue to live a holy life in front of everyone that doesn't have the Lord in their life, they will begin to see what you have and want it.

The Bible says in I Peter 2:9 But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of Him who hath called you out of darkness into His marvelous light. Continue to be peculiar in the eyes of those who are watching you, you never know what might happen.
