Expecting To Receive

Acts 3:1-8 Now Peter and John went up together into the temple at the hour of prayer, being the ninth hour. And a certain man lame from his mother's womb was carried, whom they laid daily at the gate of the temple which is called Beautiful, to ask alms of them that entered into the temple; Who seeing Peter and John about to go into the temple asked an alms. And Peter, fastening his eyes upon him with John, said, Look on us. And he gave heed unto them, expecting to receive something of them. Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising God.

Sometimes we as preachers, give the lame man at the gate a *hard time* because he was expecting alms or money from Peter and John as they passed by. We give him a *hard time* because we think the lame man was just concerned about money, and was using the traffic to the temple as a means to get it. But when we examine further, we must come to a couple of conclusions:

1. The lame man knew where to go to get the help he needed. Remember he was not just some lazy person trying to find an easy way through life,

- he had needs, and he got as close to the church as he could.**
- 2. At least the lame man was expecting to receive. He was expecting to receive something even if it was alms!**

But what he received was something far greater than money, he received a touch of the power of God and got healed!

We must come to church with the expectation to receive. You may have one thing in mind, and the Lord may do something greater for you! But we must come with the expectation to receive something!

Had not the lame man been at the gate expecting to receive alms, he would not have been in position to receive his miracle! Never underestimate your expectations – just make sure you have some!
