MARCH 2016 | VOL 18/ NUMBER 5

Pastor's Prayer Challenge

Bro. McKinney would like to start something new at Cornerstone. It is not another meeting, it is not another program, it is simply PRAYER. He would like each person to pick five people that you would be willing to pray for each day, calling out their name during the month of March. It can be someone in your family, friends, community, or on the job.

Prayer changes everything, so let's start praying. You never know what great impact your prayers can have.

Us and Them

In denominations, people get a mentality that it's all about being right and someone else being wrong. If you have an "us and them" mentality you will never help anyone see the scripture for the truth of what the Bible says. That attitude will lead to worshipping a tradition or doctrine, rather than the Truth which is Jesus. It is not about "us and them". It is "us and Him"! Our life is about the testimony of what Jesus has done for us through His grace and mercy. We all have sinned and come short of His glory. I believe most people who are at a church are sincerely looking for God. If we can get in the mentality to share God's word with people like the Lord shares it with us (through

revelation), instead up using the word (Sword) to destroy people, we should be able to use it to pierce through tradition and false teaching to reach the heart of sincere people.

A Time of Restoration

We all go through a time in our life that restoration needs to take place. We need God to help us and get us out of what we are going through. We have been down for so long, or just in our valley for so long, that we think there is no way out. Our minds get wrapped up in this mindset that we cannot get out of this mess, or that we can't change ourselves and what we're going through. I just want to tell you that is a lie from the devil. When you give what you're going through to God, and if you trust Him, and if your faith is in Him, He will bring you out of your mess. After

you come out of your mess, your faith becomes stronger, your trust in God is stronger, and you will know God was with you through it all. All we have to do is give our situation to God, and when we do we start the process of restoration. I am glad that I serve a God that will help me up when I'm down and get me back to where I need to be with Him.

God Bless!

James 4:14

"... For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away."

Two little lines I heard one day,
Traveling along life's busy way;
Bringing conviction to my heart,
And from my mind would not depart;
Only one life, 'twill soon be past,
Only what's done for Christ will last.

Only one life, a few brief years,
Each with its burdens, hopes, and fears;
Each with its clays I must fulfill,
living for self or in His will;
Only one life, 'twill soon be past,
Only what's done for Christ will last.

Oh let my love with fervor burn,
And from the world now let me turn;
Living for Thee, and Thee alone,
Bringing Thee pleasure on Thy throne;
Only one life, 'twill soon be past,
Only what's done for Christ will last.

Only one life, yes only one,
Now let me say, "Thy will be done";
And when at last I'll hear the call,
I know I'll say "twas worth it all";
Only one life, 'twill soon be past,
Only what's done for Christ will last. "

I was traveling home a few weeks ago, completely caught up in my own little world. I was stressed out, overwhelmed, and confused. Then, a little reminder invaded my thoughts and captured my attention.

"Only one life, 'twill soon be past, only what's done for Christ will last."

These words are from a poem I read long ago. The remembrance of this poem moved me. While I was caught up in the constant busyness of my life, God softly reminded me that none of my life will matter except what I do for Him. The stress of this world will be no more. I challenge you to live intentionally, letting every moment of your day bring glory to Jesus. In eternity, all that will matter is what has been done for Christ. Life is fleeting. Don't be self-centered, rather remember to live every moment for the Lord. Only what's done for Christ will last.

Phelps High School P7 Club

- *Recently, PHS P7 Club hosted a week-long set of services at PHS. This was called Jesus Week. During this week, two people repented. The next week, two P7 members were baptized. Here is a testimony about the work God is doing in lives through P7:*

“P7 changed my life. When I first started P7, I thought I’d be out of place. I had never been to an Apostolic church nor had a real experience with God. The first club day, I went to P7 and felt the presence of God but I was too scared and too nervous to worship and allow God into my heart. Later on, Keaton and Kaleb persuaded me to start coming to church. After a few nights, I was introduced to the rest of the youth. I really took a liking to them and the church. They made me feel really comfortable. They persuaded me to pray and I really felt the Lord. A few nights later I repented. From that point I knew I wanted to get baptized. Before I got to the big day, I made sure I truly understood the religion. Like why they wore skirts, wore no makeup, and couldn’t cut their hair. About a week later, I got baptized. It was the best night of my life. There are no words to describe how I felt. I was so emotional and couldn’t cry for smiling. I felt so much love and joy. I felt

clean, like a whole new person. The feeling was like no other I have ever experienced. I couldn’t even remember my sins, nor could I feel guilty for them. It was the best decision I could have ever made. The Lord is truly amazing. I have never been happier, and I can’t wait to see the greater good that’s coming.”
