## He Is Risen!

**I Cor. 15:17-20 "And if Christ be not raised, your faith is vain; ye are yet in your sins. Then they also which are fallen asleep in Christ are perished. If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the firstfruits of them that slept."**

The validity of the resurrection of Jesus has been questioned by skeptics and attacked by the unbelieving.

The reality of the matter is, the resurrection did happen! And as proof of His resurrection, Jesus appeared to many before He ascended back into Heaven. Jesus appeared to Peter and then the twelve disciples, was seen of above five hundred brethren at one time, James and all the apostles, and then He was seen by Paul also. With all of these witnesses, there is no room for questioning whether or not the resurrection took place.

Have you ever wondered what it would be like if Jesus had not arisen from the grave? Well, Paul began to give some insight to those at Corinth. Paul began to tell them that there would be no need for preaching, for preaching would be in vain. If there were no resurrection then there would be no need for faith, for faith would be in vain. If there was no resurrection then ministers would be found as false witnesses. If there were no resurrection, then we would still be in our sins, and those that die would have no hope, they would be gone—perished!

If there were no resurrection, then there would be no need for churches. No need for preaching. No need for singing. No need for altar calls. No need to celebrate today!

The good news is, the resurrection did

happen! People saw it! Others experienced it! So there is a need for Churches! There is a need for preaching! There is a need for singing! There is a need for altar calls! And we can celebrate today, because He is risen!

It must have been a special and exciting time that first *Easter*. Celebrations, rejoicing, and cries of He's alive began to fill the air.

This Easter is going to be different than any other Easter we have experienced in our lifetime. Oh, the tomb is still empty, our Savior is still saving, and people are still shouting that He is alive; but what will make this Easter different in our lifetime is the fact that we can't meet inside the Church House. Because of the coronavirus and social distancing, we have to meet outside the Church House. This should cause us to celebrate the Resurrection and rejoice that Jesus is alive and well all the more! Could we fill the air with shouts of praise? What it has done is cause us to have to celebrate this Easter like the people did on that first Easter—outside in the open air, and proclaim Jesus Is Alive!

He is not here: for He is risen, as He said. Come, see the place where the Lord lay. (Matt. 28:6)
