### ***Graduation 2020***

***Psalms 119:89-90 For ever, O Lord, thy word is settled in heaven. 90 Thy faithfulness is unto all generations: thou hast established the earth, and it abideth.***

This year has been a challenge for teachers and students as the coronavirus has disrupted not only their classroom time, but also their social interaction and yes even Graduation. Usually this time of year, school parking lots are crowded with proud parents and grandparents who have

come to watch their loved ones march in to Pomp And Circumstance, give and hear speeches, and then walk across that platform to receive their diploma. But then COVID-19 happened. It was not planned, it was not expected, and it certainly wasn't the fault of any Senior, but here we are, having to modify one of the most important days of a student's life.

Due to the Covid-19 virus, almost all normalcy of Graduation had to be abandoned. We didn't get to sit or stand in a hot gymnasium, reading sweat-soaked program handouts, and keep looking at our watches. In fact, many would gladly endure those things to have had a normal Graduation.

We want to give a big shout out to Phelps High School Administrators and Educators as they took lemons and made some great lemonade. They made Graduation 2020 what it was meant to be, all about the seniors. With a well-prepared plan, this year's Graduation smoothly went forward.

Parents and grandparents may have had to modify how they attended Graduation 2020, but one thing the virus could not rob was the smiles, tears, and pride that each family member felt as they watched their

child or grand child receive their diploma.

As you look around at the graduating class, you can't help but wonder what possibilities are wrapped up in these young minds and hearts? Did the coronavirus actually make them more determined to succeed in life? Did the coronavirus reveal how life really is, full of challenges and disappointments? I think the Class of 2020 will be just fine! I think they will go and do great things in life!

So in this unorthodox time, we at CAC always recognize our Seniors with a gift of a Bible with their name on it. For one thing that never changes in our constant changing world is the Word of God. Take the Word and hold onto it, embrace it, and study it, for it will guide you through this crazy world.
