CAC 23rd Anniversary Service

Cornerstone Apostolic Church was founded on July 13, 1997, with a call and a vision to be a place where the lost, the hurting, and the backslider could come and find salvation, healing, and restoration. We set out to find a place where we could begin this new work. We started out with about 11 people as we rented a vacant brick church building located on US Highway 460 East at Mouthcard, Kentucky. This building was

fully furnished and ready to start having services in, and it also met our budget that we had at that time. This building would be our location for the next 14 months. On our very first service, we had 94 people in attendance and one person started praying, as this would prove to be the beginning of many wonderful things to come. The following weeks, we were either having someone to start praying or we were baptizing someone. The Lord was abundantly blessing our humble beginnings.

As we continued to grow, we started to look for a permanent place to become established. We found a tract of land at Mouthcard, Kentucky and a tract of land at Jamboree, Kentucky and we presented these two tracts of land before the Church for a vote on where the permanent home of Cornerstone Apostolic Church would be located. The Church voted to buy the tract of land at Jamboree, Kentucky.

The unique thing about the land purchased at Jamboree, Kentucky was that it is the location where the first Apostolic Message was preached years ago in the area in a one room school house that was located on the

property. They would have school during the week and then use the school as a church on weekends. CAC is very proud to continue, on the very same land, the preaching and teaching of the apostles and prophets, Jesus Christ Himself being the Chief Cornerstone. So the rich history of Apostolic Heritage continues.

We had ground breaking on May 9, 1998 with about 35 or 40 in attendance. We then entered into a building program to build a building 40' x 104' with a seating capacity of approximately 190 people. Within 4 months from Ground Breaking, we had our first service in the finished Sanctuary on September 27, 1998. After a few services in the new building, we held our Dedication Service on October 18, 1998. Our record attendance was set during the Dedication Services with 175 in attendance.

Celebrate with us as we give the Lord praise and honor for blessing us these 23 years.
