Summer Has Ended

Jeremiah 8:20 "The harvest is past, the summer is ended, and we are not saved."

It sometimes boggles the mind at how swiftly time passes. It seems like spring no sooner arrives and then it is gone. Then summer just somehow pops-in and pops-out seemingly at the blink of an eye. And then it is the fall of the year again, which ushers in the threat of winter.

Many, no doubt, had plans to do things before winter, but somehow let them slip through the seasonal change, remaining undone.

I have noticed lately that many ground squirrels and gray squirrels alike have been busy getting in the winter's food supply. They run to and fro packing the security of their future. They are preparing for the winter so they can be around in the spring. They know that if they fail to prepare, they will not survive the winter. If they fail to lay in store, their hibernation will become their tomb of neglect.

We must be aware of the seasons! Although we don't know the day nor the hour, we have been warned in God's Word as to what signs precede His coming. And with that in mind, we must not neglect to prepare! The Bible is more current than tomorrow's newspaper, for it tells what will happen tomorrow before tomorrow ever gets here!

While we can see many things that let us know we are coming closer to the coming of the Lord, we really need to focus on preparation and not so much signs. Just like the ground squirrels and grey squirrels, are preparing for the winter, we should be focused on preparing for what is coming upon this earth. With the chaos of our day, we must be aware that more chaos and trouble is coming. We have to be ready. We have to be spiritually prepared! Don't let anything distract you so your statement would be, "The harvest is past, the summer

is ended, and we are not saved." Yes, we are living in a chaotic world! Yes, we are living in a strange time. Yes, we are living in a time of challenges physically, mentally, and spiritually, but we cannot, we must not allow the season of salvation to pass us by and not be saved!

We cannot afford to slumber and sleep, get side-tracked, or get distracted. We must stay focused on serving the Lord in this day, living closer to the Lord than we ever have, realizing that we are closer to the coming of the Lord than most folks want to believe or admit.

Let us stay sober and watch! Our future depends upon what we do now! Now is the day of preparation! Don't let it be said concerning you, **Jeremiah 8:20** "The harvest is past, the summer is ended, and we are not saved."
