*“...We Have Seen His Star...”*

**Matthew 2:1-2** “ Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him.”

When the wise men came from the east, they were in search of a young child. The child they were searching for was no ordinary child, in fact He was a King—King of the Jews!

What brought these wise men to the place where Jesus was? What was it that they followed that led them to the place where they found the King of the Jews? A star! They followed a star that led them to where Jesus was!

In a world that is starved for someone to look up to, we are faced with the persistent task of steering our children and even ourselves in the right direction. We are faced with a world that is looking for heroes in all the wrong places! We are faced with a world that is seeking to find an example to follow. We are faced with a world that is starving for attention and attainment. And too often, while in the search of an example to follow, we find ourselves looking to the world instead of the Word!

What this world needs is more *stars* that will lead folks to Jesus. Not more stars of Hollywood or Nashville! Not more stars of sports! Not more folks who are famous *has-beens* looking for a new career in religion! We need some pure 100% genuine, godly folks who are willing to step out of the *status quo* of religion and take on the responsibility of leading someone to pure undefiled religion! (James 1:27) We need some *stars* in our day

that have an experience with the Lord and want to lead others to the place where they can have an experience with the Lord. We need some *stars* that are going to lead others into the worship of the Lord. We need some *stars* that are going to lead others into the atmosphere of praise. We need some *stars* that are going to continually stay on course so others, this present generation, the next generation will be able to find their way to Jesus!

Do you want to be a *star*? Whether you realize it or not, you are going to lead some folks somewhere. It may be down the road of destruction or it may be down the path of righteousness. Don't look to the world, but look to the Word and become a *star* that will lead others to Jesus!

A graphic of a hand with a red heart on the palm, set against a background of horizontal lines. The hand is stylized with a red heart on the palm and is positioned on the right side of the page. The background consists of a series of horizontal lines, some of which are solid black and others are dashed. The overall design is simple and clean, with a focus on the hand and heart motif.
