A New Year With New Possibilities

Exodus 12:1&2 "And the Lord spake unto Moses and Aaron in the land of Egypt, saying, This month shall be unto you the beginning of months: it shall be the first month of the year to you."

Israel had been in bondage in Egypt but they were about to be severed from Egypt's grip! Their past was going to be just that--

the past, and they were about to enter into a new phase of their lives. They were going to march out of Egypt and it's influences and march into the miraculous! On the other side of the Red Sea lay a new beginning. On the banks of the shore of the other side lay a fresh start for a people who had experienced bondage, pain, and hardships.

Israel's year had previously started with the month Tishri , but upon direction from the Lord, now Abib was to be considered the first month of the year! Abib marked a new beginning of the year as well as a *new beginning* for the children of Israel.

Truly 2020 has been a challenging year and almost everyone is ready to see it in our rearview mirror. And more so this year than maybe in the past, we need to break out of our routines, ruts, and even fears and experience a true new beginning in the Lord in 2021. We can let go of the past and reach forth to greater heights as we move beyond 2020. With the New Year come new opportunities! We can soar above old situations and circumstances that once held us bound. You may have been depressed in 2020 but deliverance waits in 2021! You may have been sick in 2020 but healing awaits in 2021! You may have been slack in 2020 but you're about to get dedicated in 2021! You may have been frustrated in 2020 but for the first time in a long time you can have peace of mind in 2021! You

may have suffered defeat in 2020 but you're not dragging your defeat into 2021, victory is ahead! You may have been made to feel like you were less of a person in 2020, but you are holding your head up with confidence as you step over into 2021! You may have been perplexed in 2020, but the answer is coming in 2021! You may have been in the valley of decision in 2020, but a word of direction is coming in 2021! You may have been preoccupied in 2020, but you are going to get focused in 2021!

The United Pentecostal Church has chose Beyond as the slogan for 2021. Let's move beyond the hurt, the pain, the disappointments of 2020 and make up our minds right now, this year is a new year with new possibilities, and we are not going to waste a perfectly good year by dwelling on the past! We're going to let the Lord make a difference in our life in 2021. How wonderful it is to know that this month, the start of a new year, your Abib, is a new year with new possibilities!
