Semper Fidelis

Revelation 17:14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.

Many illustrations in the Bible depict God's people as soldiers. We hear such words as battles, war, and fighting that remind us that this world is a battlefield—the battle between good and evil.

In every battle, we as Christians, strive for victory as we face opposition, dangers, threats, and persecution. We are fighting against the evil of the day so the good can prevail. God's Church is still called, chosen, and faithful. We will follow Jesus into the battle against sin and remain faithful in every cause, every challenge, and every situation, for that is who we are—called, chosen, and faithful.

This Memorial Day weekend, we remember the sacrifices of those who have given the ultimate sacrifice and remained faithful to the end. As a Day when we give honor to all veterans who have left all on the battlefield, I want to focus on one branch of military that has a special slogan Semper Fidelis. Semper Fidelis is a Latin phrase that means "Always Faithful." This motto has been a guiding principle and the foundation on which every Marine stands. Marines, even when they hang their uniform up and put on civilian clothes, still live their lives as to stay true to that foundation and show it through their actions. We as the people of the Lord must stay true to our calling and show our faithfulness to the Lord as we stay true to the foundation of Scriptures and show our

faithfulness through our actions. It doesn't matter if we are in the Church House or in our house, we must show ourselves "always faithful". Whether we face a pandemic or persecution, we must show ourselves "always faithful". Whether we are standing in the store or in school, we must show ourselves "always faithful". This Memorial Day Weekend, remember those who stayed faithful unto death whether in service or in life--Semper Fidelis!

"May we think of freedom, not as the right to do as we please, but as the opportunity to do what is right. (Peter Marshall)
