## ***Celebrate Mothers***

***John 19:25-27 Now there stood by the cross of Jesus His mother, and His mother's sister , Mary the wife of Cleophas, and Mary Magdalene. When Jesus therefore saw His mother, and the disciple standing by, whom He loved, He saith unto His mother, Woman,***

***behold thy son! Then saith He to the disciple, Behold thy mother! And from that hour that disciple took her unto his own home."***

This is the time just prior to Jesus' death on the cross. Here Jesus is hanging on the cross, in pain and agony, and look who's standing right there by the cross--His mother! Mary and Jesus portrayed the perfect example of a mother-and-Son relationship. Mary stood by His side until the end and while hanging on the cross, Jesus made preparations for His mother to be taken care of after He was gone.

Mothers are a special people! J.R. Bookhoff once said: "Though a mother stays home and keeps her house clean, it is still not a home unless she creates the right spirit in the house. It is the atmosphere created primarily by the mother that makes a home worthwhile." Mothers have many responsibilities that excel that of mere womanhood. Almost anyone can bare a child, but it takes someone special to be a mother to a child!

Mothers also have wisdom, knowledge, and insight that sometimes leave their children baffled! For instance, did you ever notice that mothers know what you've been into without you telling them? Did you ever notice that mothers seem to always know where you've been, what you did while you were there, and what time you got home? And did you ever

notice that mothers know exactly what to do in almost all situations? Mothers can be as gentle as a lamb but when pushed to the limit, they can be as the terror of a lioness!

Today, we recognize and give honor to that elite group of people known as mothers. If you are blessed to still have your mother with you, give her honor this day. Tell her that you love her. Thank her for her wisdom and guidance. And thank her for not having an abortion so you could enjoy this day with her. So to all those precious mothers everywhere...
