Are You Ready For Graduation?

Psalms 75:6-7 "For promotion cometh neither from the east, nor from the west, nor from the south. But God is the judge: he putteth down one, and setteth up another."

One of the greatest thrills as a child was when report cards were given at the end of the year and on the back was written these words, "Promoted to the next grade". Found in those brief and yet weighty words were the rewards of all the study, sacrifice, and hard work that had taken place that year. That word, "promoted", made all the hard work worthwhile.

PIKEVILLE APOSTOLIC CHURCH

THE PAC

We are now faced with this time of year that our area university, colleges, and schools are preparing to graduate another class. As we stand in hot gymnasiums, reading sweat-soaked program handouts, we see another promotion of a group of young men and women. Parents and grandparents alike stand smiling, crying, and relieved that accomplishments and triumphs have occurred for their loved ones. And as you look around at the graduating class, you can't help but wonder what possibilities are wrapped up in these young minds and hearts? As they walk across the floor and receive their diplomas, their statement of promotion, they realize that all of the hard work and perseverance was worthwhile.

When we gather each week for church, we all come from different backgrounds, different circumstances, and facing different problems, but we also come together with great possibilities. The possibilities of deliverance, healings, and blessings are available every service. We should come with expectation! The expectation of a promotion!

The opportunity for promotion presents itself every time we come to the House of God. Folks sometime need a promotion out of the valley they are going through. Some are ready for a promotion out of the circumstances they face. And some are desiring to move up to

another level in the Lord's work. They come with the expectation of a promotion.

When you go to church, don't just go and sit on a pew and miss the great possibilities that are available in the House of God. The Lord wants to bless you—He really does! He wants you to be happy! He wants you to be complete! He stands ready to move your tassel from defeat to victory! And then you can experience a graduation from victim to victor—from failures to triumphs—from setbacks to progress!

Just take a moment to look around you, you never know, the person across the aisle from you on Sunday Morning may be getting ready to graduate from the circumstances that they have been going through and you get to attend their graduation! Are you ready for Graduation?
