## Taking Time To Pray

Romans 12:12 "Rejoicing in hope; patient in tribulation; continuing instant in prayer;"

We live in a fast-paced world. From the time we wake up in the morning, until we go to bed at night, our lives are filled with the rush of *never-enough-time*.

It seems that there are never enough hours in the day to finish what we have started. It seems that we never really get finished, we just merely carry-it-over to the next day. We soon find our tomorrows filled with carry-overs on top of an already full schedule.

While letting things go may work in the natural, we cannot allow to let things go in the spiritual. We must take the time to do what needs to be done. We cannot afford to let spiritual matters become *carry-overs*.

Our prayer life must not suffer due to the clutter of the day's events. We must take time to pray. We must call a *time-out* in our busy schedules to talk to the Lord.

Prayer is a vital link to our spiritual wellness. We talk to the Lord in prayer and get Divine direction for our every need. Prayer is the key to getting answers to the pressing questions in our lives.

Jesus gave us a perfect example of what it means to take time and pray. It didn't matter if it was after a long busy day, Jesus prayed. It didn't matter if He had given all of His time to

others, there was still that time of prayer. What an example to follow! What an example given! Jesus took time to pray!

We must never neglect to take time to pray. No matter how long our day, there must be that time that we get in our *prayer closets* and talk to the Lord. No matter how much time we have given to others or to our jobs, we must take the time to pray. We must adhere to what it says in I Thessalonians 5:17 "*Pray without ceasing.*"
