A New Year With New Possibilities

Exodus 12:1&2 "And the Lord spake unto Moses and Aaron in the land of Egypt, saying, This month shall be unto you the beginning of months: it shall be the first month of the year to you."

Israel had been in bondage in Egypt but they were about to be severed from Egypt's

grip! Their past was going to be just thattheir past, and they were about to enter into a new phase of their lives. They were going to march out of Egypt and its influences and march into the miraculous! On the other side of the Red Sea lay a new beginning. On the banks of the shore of the other side lay a fresh start for a people who had experienced bondage, pain, and hardships.

Israel's year had previously started with the month Tishri, but upon direction from the Lord, now Abib was to be considered the first month of the year! Abib marked a new beginning of the year as well as a *new beginning* for the children of Israel.

In the midst of all the New Year's Resolutions, in the midst of all the anticipations and expectations of the coming year, we can break out of our routines and ruts, and experience a true new beginning in the Lord. We can let go of the past and reach forth to greater heights as we seize the opportunities that the New Year offer.

With the New Year comes new opportunities! We can soar above old situations and circumstances that once held us bound. You may have been depressed in 2021 but deliverance waits in 2022! You may have been sick in 2021 but healing awaits in 2022! You may have been slack in 2021 but you're about to get dedicated in 2022! You may have been frustrated in 2021 but for the first time in a long time you can have peace of mind in 2022! You

may have suffered defeat in 2021 but you're not going to drag your defeat into 2022, for you see victory ahead! You may have been made to feel like you were less of a person in 2021, but you are going to hold your head up with confidence as you step over into 2022! You may have been perplexed in 2021, but the answer is coming in 2022! You may have been in the valley of decision in 2021, but a word of direction is coming in 2022! You may have been preoccupied in 2021, but you are going to get focused in 2022!

Make up your mind right now, this year is a new year with new possibilities, and I am not going to waste a perfectly good year by dwelling on the past! I'm going to let the Lord make a difference in my life in 2022! How wonderful it is to know that this month, the start of a new year, your *Abib*, is a new year with new possibilities!
