Wars And Rumors Of Wars

Matthew 24:6-8 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the

end is not yet. 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. 8 All these are the beginning of sorrows.

What does the war between Russia and Ukraine mean to us, the U.S. or even the world? Is it, as some experts have said, the largest invasion since WWII? And will it be as some military experts have expressed, this could lead to WWII?

These questions are pertinent and relevant questions, but they are only questions and predictions, only time will tell of the full extent of this war.

We do know some things that this Russian invasion of Ukraine has caused us—higher gas prices and higher food prices, just to mention two. We do know that it is placing our country in a pressured place economically. And we know that this will affect the global stage as to other countries feeling emboldened to invade neighboring countries and sovereignties. Again, only time will tell what all of this will lead to.

But do we have another insight to this war? Does the Bible give us guidance concerning what we are seeing unfold in our news media? And the answer is, “yes it does”. The Bible has

warned us of the days in which we are living. Just as Jesus’ disciples wanted to know the signs of the end time, so do people today. Today’s newspaper/web headlines, tweets, and Facebook posts are like they are taken right out of the pages of God’s Word.

As I was listening to one report, I heard a reporter in Ukraine say that one Ukrainian referred to the helicopters as “locusts”. Now for you Bible Scholars, that should have raised an eyebrow or two! For many scholars believe the references to locusts in Joel 1 and Revelation 9 are talking about helicopters. So when this Ukrainian citizen said the helicopters looked and sounded like locusts, that caused me to say, “Wow”—that’s Bible!

Whether you believe that Russia invading Ukraine is end time events/signs or not, we do know that the Bible is going to be fulfilled. You don’t have to wait for time to confirm that. And we all have to agree, we are hearing of wars and rumors of wars.
