Seems like nothing in our day, stays the same. Food prices are changing. Gas prices are constantly fluctuating. Auto prices are on the move—upward! It is a rare thing to find anything that stays the same. Unfortunately, has fallen upon a lot of churches today.

The U.S. Constitution is known as a “living” document because it can be amended. This means that it can be changed or revised. Jesus never meant for His Word to be amended, revised, or changed. Since He is the Word, it is recorded that He is the same yesterday, today, and forever!

Neither is the Church to be amended, revised, or changed What the apostles preached and taught, we should preach and teach. What Paul instructed the Church to give up, we should instruct people to give up. What we see from the Church that was birthed on the Day of Pentecost, we should see in the Church today.

When something is constantly changing, it keeps everything discombobulated and difficult to follow. A church that is constantly changing church times, present a challenge for people to know when to come to church. A church that is constantly revising what it takes to be save, will cause people to be confused about salvation. And a church that fails to draw a clear line between godliness and worldliness will cause division among the body of Christ.

If every church would teach, preach, and stand for the same standards of conduct, modesty, and morality, we would see a vibrant—not dead—Church. We would see a strong—not weak—Church. And we would not have people searching for a church that speaks to their ideologies or preferences.

Jesus meant for the Church to be the same for every nation, every people, and every generation. He wanted it to be the constant in an ever-changing world. He wanted it to be recognizable in an unrecognizable world.

Let's be the Church the Bible speaks about. Let's be the people of God that He is going to come back for. Let's be a constant in this world that is full of change.

**In A World Where Nothing  
Stays Constant...  
Jesus Does!**

***The Lord Doesn't Change***

***Hebrews 13:8-9 Jesus Christ the same yesterday, and to day, and for ever. 9 Be not carried about with divers and strange doctrines. For it is a good thing that the heart be established with grace; not with meats, which have not profited them that have been occupied therein.***
