We hope to see you in future services!

Celebrate Mothers

John 19:25-27 Now there stood by the cross of Jesus His mother, and His mother's sister, Mary the wife of Cleophas, and Mary Magdalene. When Jesus therefore saw His mother, and the disciple standing by, whom

He loved, He saith unto His mother, Woman, behold thy son! Then saith He to the disciple, Behold thy mother! And from that hour that disciple took her unto his own home."

This is the time just prior to Jesus' death on the cross. Here Jesus is hanging on the cross, in pain and agony, and look who's standing right there by the cross--His mother! Mary and Jesus portrayed the perfect example of a mother-and-Son relationship. Mary stood by His side until the end and while hanging on the cross, Jesus made preparations for His mother to be taken care of after He was gone.

One of the hot topics of our day is that of abortion. It's nothing new, it has been a controversial topic for many years, but this year is different because the US Supreme Court is discussing the topic and could very well overturn the Roe Vs Wade decision of 1973. With a reversal of the ruling, abortions would fall under individual state control.

Do you think the women who are in support of abortion ever stop to think about their existence? I wonder if they stop long enough with their rhetoric to think they would not be alive today if their mother had decided to end her pregnancy. But with all the wokeness, liberal, and immoral ideologies, the protests drown rational thinking.

God did not intend for abortion to be a choice,

a right, or an option. The Bible supports life not the death of unborn children. God speaking in Jeremiah 1:5 Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

The unborn is not a fetus, it is a child! A child with a future. A child that could impact lives. A child that could change the world! A child who has a soul!

We must teach this generation and the generations to come about the truths of the unborn. With all of the rhetoric, yelling, published articles, and media presentations, we need to sit down with our children and teach them the Truths of God's Word.

Pastors, you need to keep preaching that abortion is murder! Don't let the fear of being unpopular keep you from preaching Truth! Don't let the pressures of "numbers" cause you to be silenced concerning the unborn who has no voice.

As we celebrate Mothers, if you are blessed to still have your mother with you, give her honor this day. Tell her that you love her. Thank her for her wisdom and guidance. And thank her for not having an abortion so you could enjoy this day with her.
