Never Get Tired Of Doing Good

2 Thessalonians 3:13 But ye, brethren, be not weary in well doing.

Do you ever get tired of feeling like you are always the one that has to do right, while others seemingly could care less what they do?

Doing right is not always easy but is always the right thing to do. Paul instructed the Church of Thessalonica to never get tired of doing good.

In the world in which we live, it seems that right is relative to the narrative you are trying to portray. In the eyes of the world, truth is fluid and always changing. What used to be considered wrong fifty years ago is now considered right. What used to be immoral is now considered moral. People call good, evil and evil, good. This is what the Bible said would happen in **Isaiah 5:20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!**

We expect the world to respond in this manner, but it should be totally unacceptable for the Church to respond in this manner. That's why Paul instructed the Thessalonian Church to not be weary in well doing. Never get tired of doing what is right! **Galatians 6:9 says, And let us not be weary in well doing: for in due season we shall reap, if we faint not.**

Truth doesn't fluctuate, it is settled. **Psalm 119:89 says For ever, O LORD, thy word is settled in heaven.**

Let's continue doing good! Let's continue doing right! Don't grow weary now, we are too close to the coming of the Lord!

It's almost reaping time and whatever we have sown is what we shall reap. Let's continue shining as God's people—people who never get tired of doing good!
